Gentlemen: -

I am going to
trouble you again about this
2 1/2 Gold piece Brilliant proof that
I got from you. As I intend
to do away with the proof and
don't care to have them in my
collection. I would like to ask you
if you would give me a 1795
silver dollar and a few other
old coins of the U. S. so as to make
a even trade. As I see that the
1795 dollar is worth about \$2.40

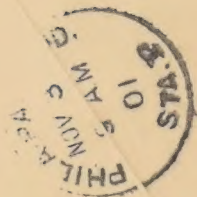

and I paid you \$3.50 for this
brilliant proof $2\frac{1}{2}$ gold piece. I
wish that you would make the
trade with a few other old pieces so
as to make it a square trade.
 Hoping you will take me up
I am as ever
Rhonald Greve

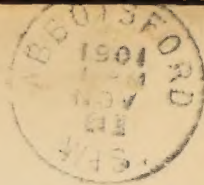

P.S. I am getting a collection
up of old coins of the N. S. That
is for myself.

Dear Sir:

Your letter received a few days ago
saying that you will allow me \$3.00 for the
gold 2 1/2 piece that I received from you. As this
will be satisfactory to me, you may send me a
1795 Silver dollar and for the balance you may
send me some old half cents and would like to have
a cheap large cent before 1800.

Yours Truly
